“ I am sorry to say that I did not have the privilege of a close family bond with my uncle. We moved around a lot when I was younger and my father William was alive. I am so sorry to hear of your loss and his family is in my prayers as always. I am William's oldest daughter, Diane and my family and I wish you all the best in this time of loss and sadness.

Love always Diane

“ My grandpa was a man of very few words but when he did speak it was always entertaining to say the least. I will look back with fond memories of their phone ringing and him yelling out grapevine. I will forever miss seeing him sitting in his favorite spot watching traffic and the neighbors. My kids also loved to bring him treats like his favorite little debbies and circus peanuts. He has left a void in our hearts and lives that can never be filled... with much love in heaven to my grandpa.
