“ *Michael, Brian, again I'm shocked. I cannot imagine your pain but know that many many people are praying for you.*

Your dad and I worked a lot of hours on the same shift and I was the shift Sergeant. I NEVER had to be concerned that when he was on a call that things might not be handled correctly.

Your dad was a man of integrity. I know you'll miss him and your mom terribly. Carry on in the example they set for you.

“ RIP Sarge. I had the pleasure of working with him for many years on the afternoon shift. Always gave us enough room to have fun but kept us out of trouble. Thoughts and prayers are with his family.

“ I had the privilege of working with Bill, at the Dyer Indiana Police Department, the first 6 and 1/2 years of my police career. A man of few words yet his actions spoke volumes. He lived his Marine Corps Values and was Always Faithful to the mission. Bill was a no nonsense officer who did his job well, treated others fairly, and always displayed courage & respect towards the public. Bill was very helpful to me in my career, always told the truth and was truly a man of honor and integrity.

My admiration and gratitude for William C Neumaier is immeasurable and I will always hold a special place for him, and his family, in my heart. I was friends with his wife, Debbie Neumaier, and was blessed to have been the maid of honor at their wedding. I will continue to keep his family in my prayers. in the hopes our loving Lord will bless them with an inner peace, that supersedes human understanding, in knowing he is safe, happy, and at peace in his eternal heavenly home.
