“ Yvonne was my mentor, co-kindergarten teacher, friend and Godmother to my ornery son, Marcus! I was also blessed with a new grandson who shares her birthday! What an honor! She taught me so much and we enjoyed every minute of it! We had so much fun planning and teaching together, sharing books and stories, “working” on all those Kindergarten programs over the years, and going places! I am so sorry we won’t be able to carry out our future plans to go to a “home” together where we would rock side by side in our rocking chairs, recite nursery rhymes and finger plays and sing silly kid songs together. Maybe in our next life? Love and miss her 🥺❤️

“ In my memories of Yvonne I always picture her with a smile on her face and an arm load of books. When she came into the library she made my day brighter and left me with a cheerier disposition. Knowing Yvonne is no longer here makes this world a sadder place.
